## Learning Check

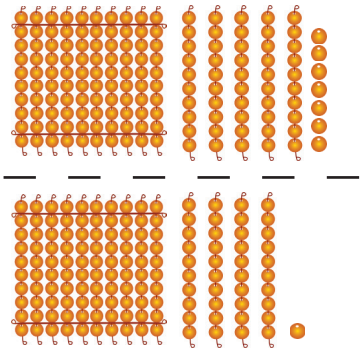

1. Estimate the sum and tick (✓) the correct one.

65+45

☐ Less than 100.

☐ More than 100.

2. Count the beads, write and find the sum.

| | H | T | O |
|---|---|---|---|
| | | | |
| | | | |
| + | | | |
| | | | |

3. Add and write.

| | H | T | O |
|---|---|---|---|
| | | | |
| | 5 | 2 | 9 |
| + | 2 | 9 | 8 |
| | | | |

4. Write the numbers and add.

497 + 385

| | H | T | O |
|---|---|---|---|
| | | | |
| | | | |
| + | | | |
| | | | |

5. Kamala saved ₹536 and Vimala saved ₹379. How much did both of them save together?

| | H | T | O |
|---|---|---|---|
| Amount saved by Kamala | | | |
| Amount saved by Vimala | | | |
| + | | | |
| Amount saved by both of them | | | |

## What I Learnt

I can...

find the sum of three-digit numbers without regrouping. ☐

find the sum of three-digit numbers with regrouping. ☐

solve the story problems related to addition. ☐
