To protect the people

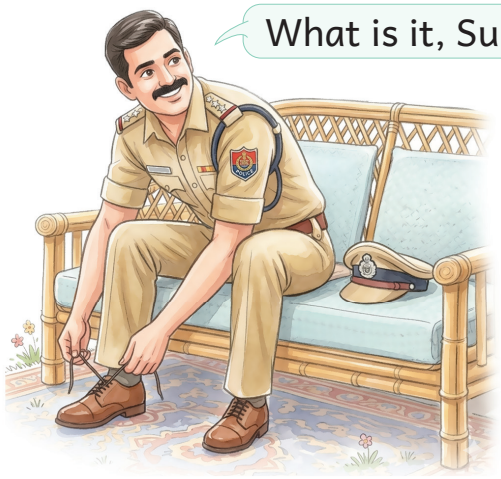

Discuss and Learn

Sumathi's Appa is getting ready to go to office. At that time...

Appa, Appa, look at this!

What is it, Sumathi?

Padma, a sanitation worker, handed over the gold jewellery she found at the police station. Why do people hand over lost and found items to you appa?

It is our duty to find and return lost items. If everyone is as honest as Padma, the sanitation worker, our job would be easy.

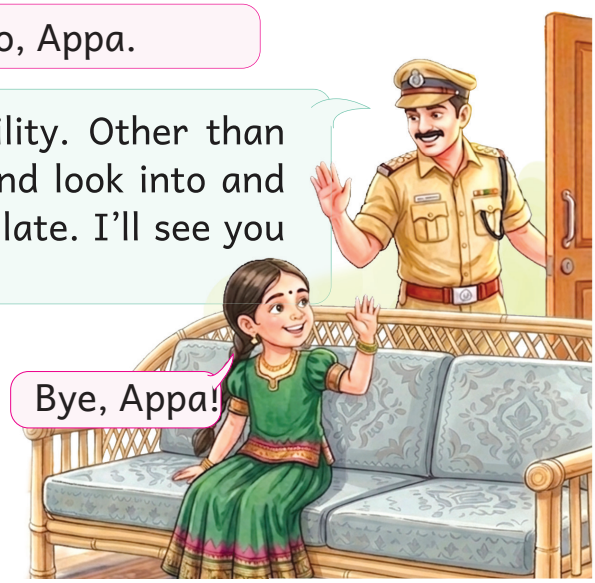

Tell me about the other work that you do, Appa.

Protecting people is our first responsibility. Other than that, we also help during emergencies and look into and solve the complaints we get. I'm getting late. I'll see you later, Sumathi.

Honesty is doing the right thing even when no one is watching

Bye, Appa!
