Reading comprehension

Read the passage and answer.

One morning, Vani walked to school with her friend, Arun. Strong winds blew and dark clouds moved fast in the sky. Suddenly, Arun's blue cap flew off his head! Arun laughed, "Catch it!".

The cap rolled along the road. Vani ran after it. Arun ran too. At last, Vani grabbed the cap and put it back on Arun's head.

"Stand still!" she said, laughing. Both felt happy. They laughed all the way to school.
