Let us Practise

Number of story books read by Geetha and her friends during the summer vacation is given in the form of tally marks. Count the tally marks and write the number.

Name	Tally Marks	Number of books read
Geetha	𝍸 𝍸 𝍸 I	16
Iniyan	𝍸 III	
Reena	𝍸 𝍸 IIII	
Salima	𝍸 𝍸 𝍸 IIII	
David	𝍸 𝍸 IIII	

Observe the table and fill in the blanks.

1. The one who has read the most number of story books is _____.
2. Equal number of story books were read by _____ and _____.
3. The one who has read the least number of story books is _____.
4. Number of story books read by Iniyan is _____ less than the number of story books read by David.
5. Number of story books read by Salima is _____ more than the number of story books read by Iniyan.
