Mugilan's Family

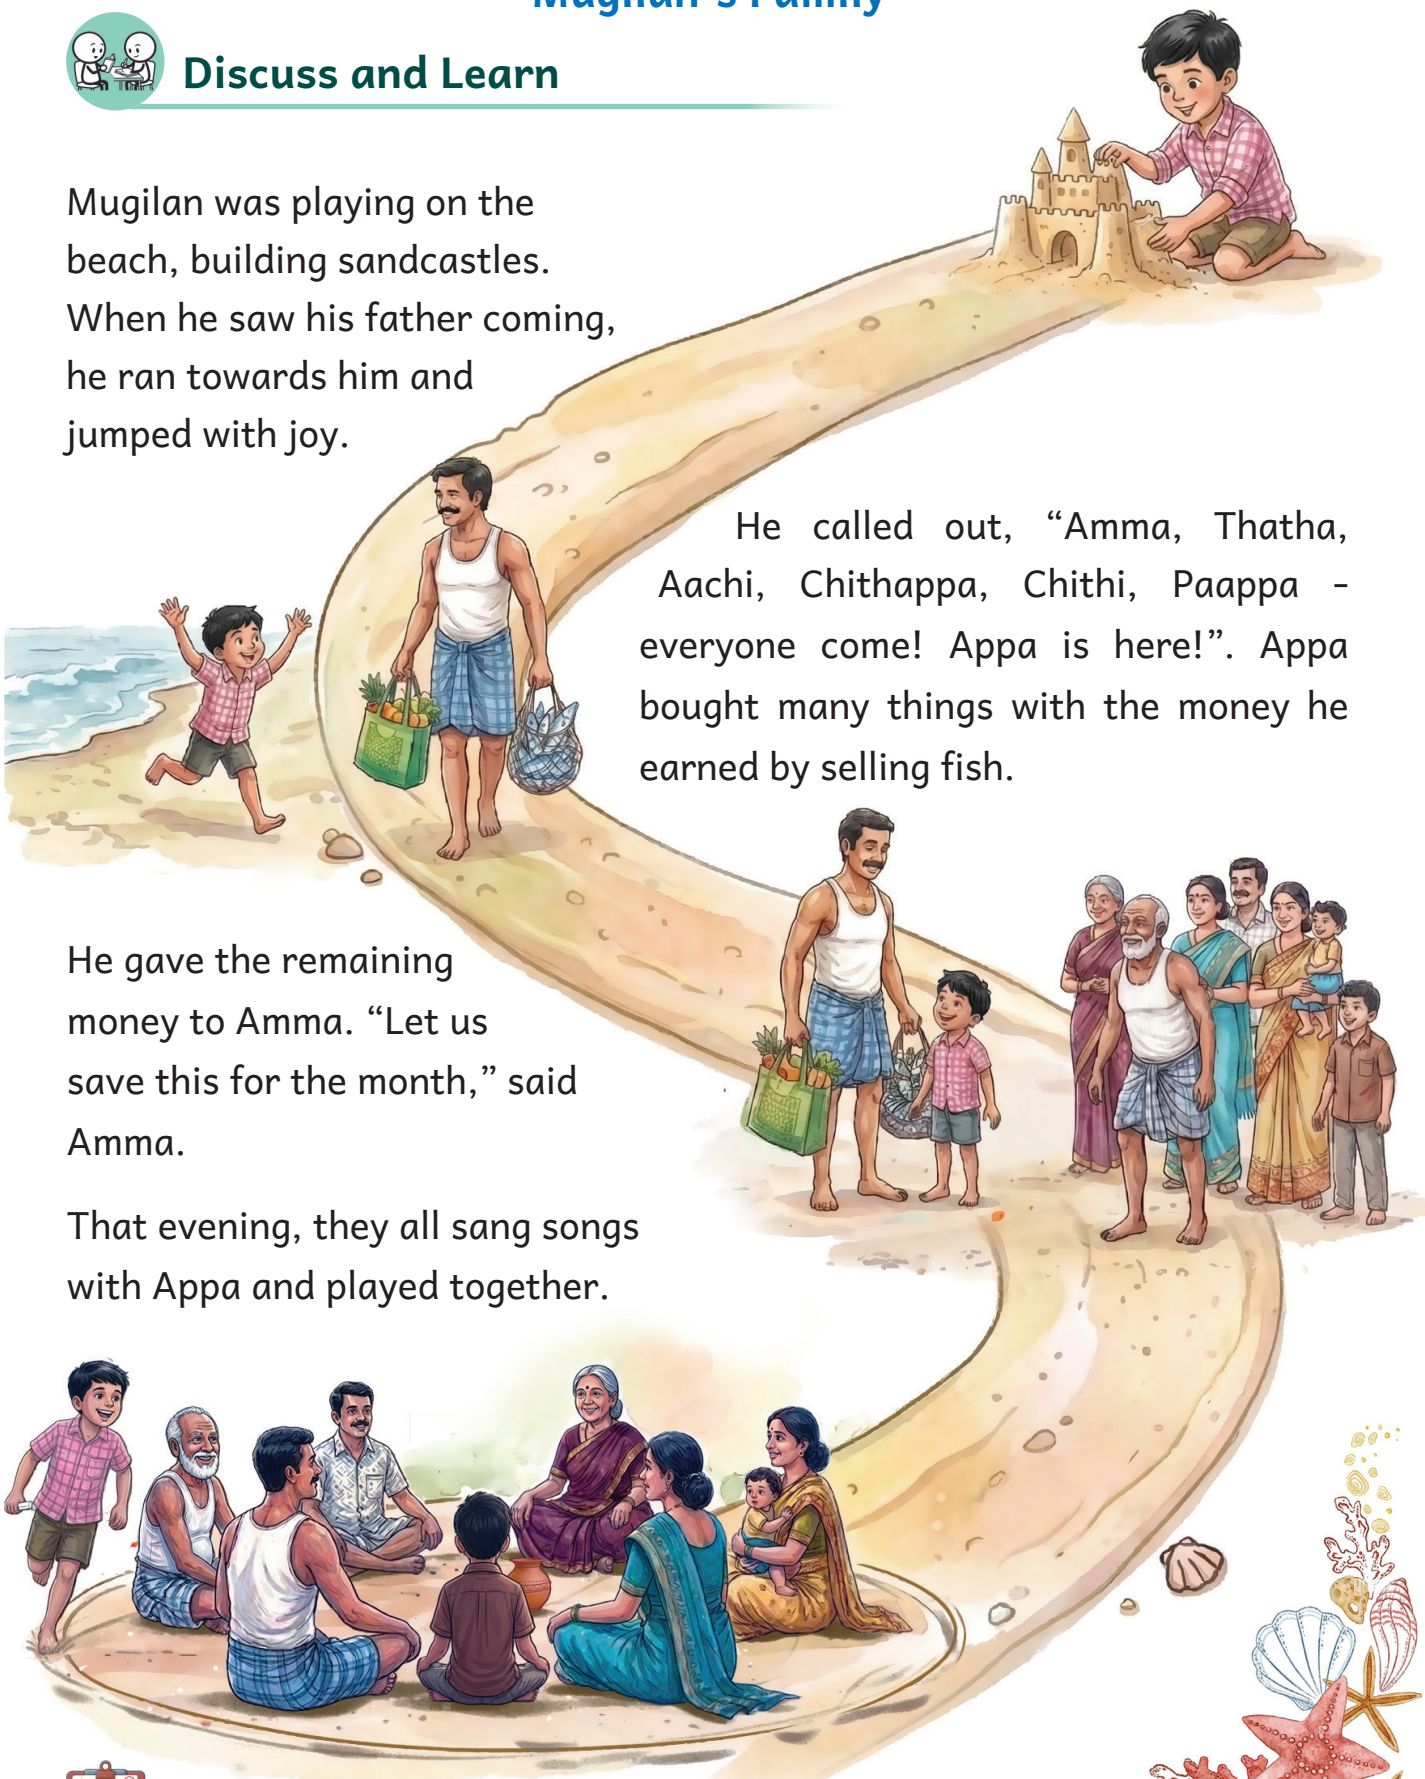

Discuss and Learn

Mugilan was playing on the beach, building sandcastles. When he saw his father coming, he ran towards him and jumped with joy.

He called out, "Amma, Thatha, Aachi, Chithappa, Chithi, Paappa - everyone come! Appa is here!". Appa bought many things with the money he earned by selling fish.

He gave the remaining money to Amma. "Let us save this for the month," said Amma.

That evening, they all sang songs with Appa and played together.

THB Discuss the lifestyles of people living in various landscapes and how they can be together happy as a family.
