Unit I

1. Our Savings

Let us Learn

Malini, Nakul and Seetha were discussing about the amount they saved to buy their favourite playthings on their way to school.

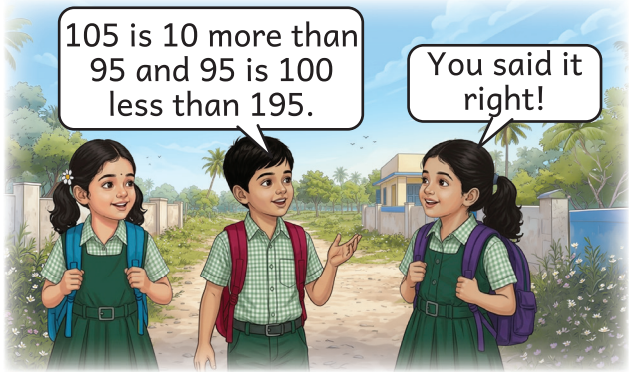

By conversing like this, the three of them reached school.

THB

Strengthen the concepts like 100 more than a number, 100 less than a number, 10 more than a number, 10 less than a number, 1 more than a number, 1 less than a number by telling the picture story.
