Travel by Bullock Cart...!

(Mugilan went home after watching the puppet show and asked Thatha about his travel experiences.)

Packing the *kattusoru*, tying the bullocks
Gathering grass, we're moving at last!
Loading the paddy sacks with care,
A long, long journey, with load to bear.
The road is long, the cart is heavy,
Bullock cart rolling, strong and steady! - 2

Driving the cart as the bells go ding,
Listening gladly to the songs we sing.
On to the *sandhai*, lively and bright,
Travelling safely by day and by night.
The road is long, the cart is heavy,
Bullock cart rolling, strong and steady! - 2
