

Thambi

Amma, there's a mouse in the house. There are bits of paper on the ground. It tore my English book. I'm so worried.

Oh, this is bad! There's a mouse in the house. My bun is gone. I wanted to eat it with my tea. I am unhappy.

Appa

Oh, there's a mouse in the house! Let's find it.

They looked for the mouse all over the house. They stamped their feet.

They poked a stick into a hole.

But they couldn't find the mouse in the house.
