

Let us Practise

	T	O
Number of Space Science books		
Number of books on Scientists		
+		
Total number of books related to Science		

	H	T	O
Total number of Story books			
Total number of books on Mathematics			
Total number of books on Science			
+			
Overall total number of books			

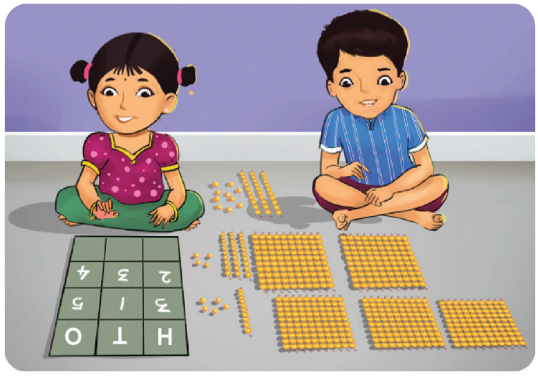

Estimate whether the sum is more than 100 or less than 100 and match.

Let us Do

Addition without regrouping

Ensure that the children group the 100-bead bunches together, the 10-bead strings together and the single beads together to find the total number of beads of the given two numbers.
