# Micro Movements

## Activity Time

What movements can you make using your face?

Smaller movements of the face, palms, fingers and toes are called micro movements - for example, writing, smiling, raising your eyebrows.

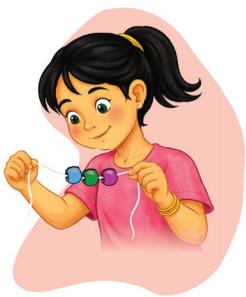

**Do and name the micro movements using the word bank.**

**WORD BANK**

Lacing  Crushing paper  Clapping  Tearing paper
Threading beads  Raising eyebrows  Colouring  Buttoning

Did you notice a difference in the way you used your fingers?
