Let us sing

Safety Song

Say NO, NO, NO, NO,
If a touch feels wrong.

Move away, move away,
If a touch feels wrong.

Tell a trusted adult,
Tell them what you feel.
Even if you feel unsure,
Tell them what you feel.

Call 1098, Call 14417,
If you need some help.
They will listen, they will care,
If you need some help.

Secrets

Observe and Discuss

What can be kept as a secret?

Malar bought a gift for her friend's birthday without telling her friend. Can she keep it a secret?

Kanmani's relative touched her private body parts and told her not to tell anyone. Can she keep that a secret?

If a message or an event feels unsafe, don't keep it secret. Tell a trusted adult.

THB

Using various examples, discuss with children what can and cannot be kept as a secret.
