Let us Find

Guess and write the talents using the hints:
(Dancing, Drawing, Telling riddles, Acting, Making paper crafts, Singing)

My sweet voice
makes people listen to me
and feel happy.

My legs dance,
hands move,
and my eyes express.

I use colours,
make shapes and
create pictures.

I ask questions,
give clues and
make others think.

I fold papers and
paste them to make
beautiful things.

THB Encourage children to create their own riddles and display them in the art gallery.
