Peer Talk

THB

Make children stand in two groups. Ask them, "What do you have?" Encourage them to answer, "We have _____." Then point to the other group and ask, "What do they have?" Encourage them to answer, "They have _____."

Fun Time

Look at the two pictures. Find and circle any six differences.

My Project

My journey to school

What did you see on your way to school? Draw it in a chart. Present it to the class.
