1 Plants Around Us

A Plant Needs...

Observe and Discuss

One morning Yazhini was walking around her garden. She saw a sad seed and asked...

Help Yazhini solve the mystery of the four friends.

Clue 1	Clue 2	Clue 3	Clue 4
I flow. I am clear and colourless. Who am I? _____	I shine brightly in the sky all day. Who am I? _____	I am brown and under your feet. Who am I? _____	You cannot see me, but you can feel me. Who am I? _____

Do you think all four friends are important?
What might happen if one friend is missing?

Instead of guessing, let us test our ideas.
