Let us Learn

One day Raghu saw an old box in his grandfather's room. He opened it. Inside the box...

Raghu created many more such shapes happily.

THB Encourage children to create various shapes using tangrams.

Let us Do

Make different shapes using the 5 - piece tangram.

Make different shapes using the 7 - piece tangram.

THB Arrange the children in groups. Make them create shapes like the above using the tangram.
