Trees Around Us

Observe and Discuss

Observe the picture. Which of these trees have you seen? Name them.

Do and Learn

1. Read the riddle and identify the plant.

I have long fruits.
I add flavour to sambar.
My flowers and leaves are very useful.

Who am I? _____

Write your own riddle on any tree.

THB Ask children to name the trees they know. Share other riddles given in the THB with children.
