3. Think and Write.

a. Which step of the journey of rice takes the longest time?_____

b. Which step is the most important? Why?_____

c. What might happen to the paddy plants, if there is no rain during the growing stage? _____

4. Share the story of rice with your family.

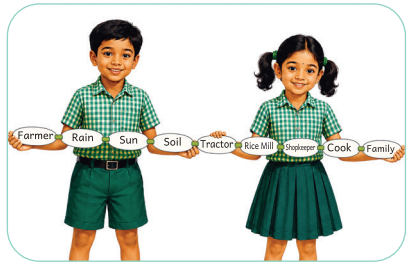

Activity Time

Give each child one rice shaped paper.

Ask them to write the name of one helper/ thing they want to thank in the journey of rice. Thank you _____.

Join the grains and make a beautiful chain of gratitude.

Ingredients of Food

HU3UG

Grandma, now I know the journey of rice. Does only rice have a journey?

No, Arun. Every grain, every vegetable, every spice has a story!

Really? Then my vegetable biryani is full of stories!

Yes! Can we find out what ingredients are there in your biryani?
