Let us Practise

Complete the table.

901									
		923							
				945					
					966				
							988		

Fill in the blanks.

1) The number with 7 hundreds, 4 tens and 9 ones is _____.

2) The number with 8 hundreds, 7 tens and 2 ones is _____.

3) The number with 8 hundreds and 9 tens is _____.

4) The number with 9 hundreds and 5 ones is _____.

5) The number with 9 hundreds and 9 tens is _____.

Let us Do

Give the children sets of number cards for hundreds (100, 200, ..., 900), tens (10, 20, ..., 90) and ones (0, 1, ..., 9) and give them practice to form three-digit numbers as shown in the picture.
