Let us Practise

Measure the length of the blackboard with your friends.

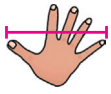

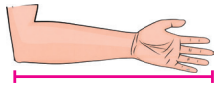

S.No.	Name of the child	Length of the Blackboard		
				

Observe the table and tick (✓) the correct answer.

1. For which of the following unit you get the same measurement?

 ☐  ☐  ☐

2. For which of the following units did you get different measurements?

 ☐  ☐  ☐

3. Do we need a uniform standard unit to get the same measurement from everyone?

Yes ☐ No ☐

Emphasise that while measuring with a uniform non-standard unit (same pencil / same stick), the measurements do not vary from person to person.
