Observe and Discuss

Who are the people I meet at home, school and around me? Who is a trusted adult?

We know many people.

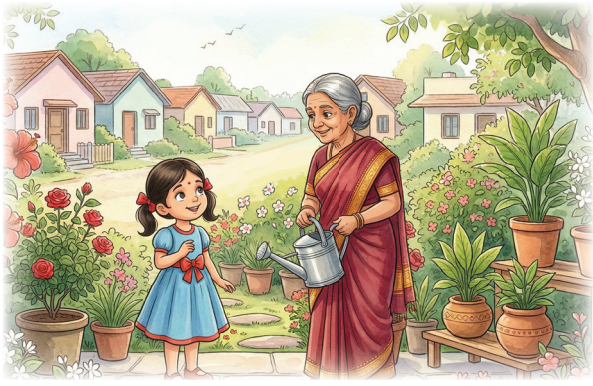

We live with **Family Members**.

We have **Friends**.

We recognise our relatives and neighbours and know their names - **Known People**.

We recognise some people but can't name them: shopkeeper, autodriver... - **Familiar People**.

People we don't know are called **Strangers**.

Different Touches

- Some touches are used to show affection.
- Some touches are used to help us.
- Some touches care for us when we are sick.
- Some touches are uncomfortable and unsafe.
