Let us Do

THB

Place 10 paper cups and 30 ice-cream sticks on the table. Call a child to place 3 ice-cream sticks in the first cup and introduce 1 × 3 = 3. Then call another child to place 3 ice-cream sticks in the second cup and show 2 × 3 = 6. Continue writing in the black board in the same way up to 10 × 3 = 30 and introduce the multiplication table of 3.

Let us Practise
