

Listen to the Story! Listen to the Story!

(After reading the diary, the children asked grandfather to sing a song about olden times.)

Discuss and Learn

Listen to the story, listen to the song,
Paattan and Paati, all along.
Pootan, Pooti too,
Ottan, Otti, loving and true.

Living together, happy and free,
Homes with coconut roofs, you see.
Cooking on firewood stove, eating with cheer,
Sharing with everyone, far and near.
Listen to the story, listen to the song

Swinging on banyan trees so high,
Laughing with joy under the sky.
Catching fish in the river with joy,
Fun for every girl and boy.
Listen to the story, listen to the song
