

Pachai kuthirai, jumping strong,

Playing *pallanguzhi* all day long.

Counting seeds, learning with care,

Math and games together there.

Listen to the story, listen to the song

Roosters wake us in morning light,

Bullock carts travel through the night.

Horse carts run with hearts so bright,

Travelling far into the night.

Listen to the story, listen to the song

Encourage children to sing the song with a tune.
