4. Which? Where?

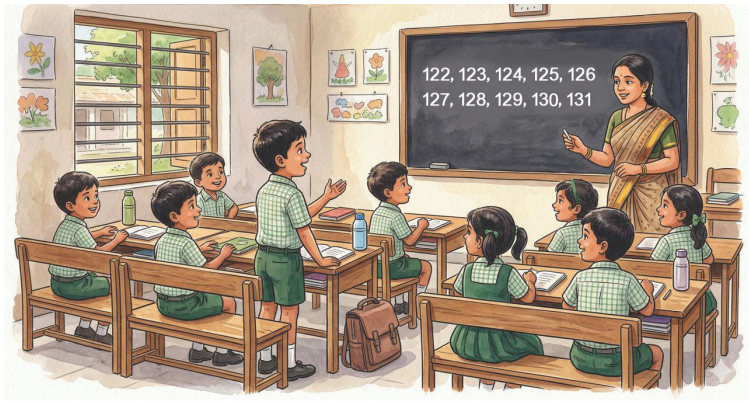

Let us Learn

How are the page numbers shown in a book? Can you open any page and tell in order the page numbers that come before and after a page?

Let us Do

THB If the teacher says any three-digit number, ask one child to count forward from that number, and another child to count backward from that number.

Let us Practise

Write the numbers by counting forward.

121 122 123 ____ ____ ____ ____ ____ ____ ____

554 ____ ____ ____ ____ ____ ____ ____ ____ ____

796 ____ ____ ____ ____ ____ ____ ____ ____ ____
