Learning Check

Write in the expanded form and add

1. 356 + 238 =

= + + +

= + + +

+ +

+ + + +

+ + +

2. 578 + 314 =

= + + +

= + + +

+ +

+ + + +

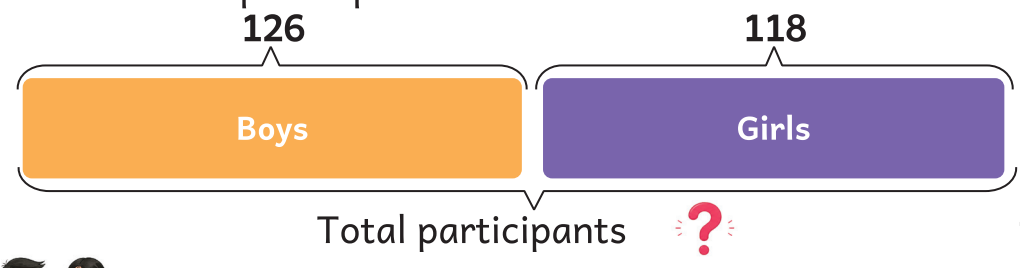

+ +

3. Find the sum using the number line.
662 + 247

662 + 247 =

4. Split the second number and add.
235 + 117=

5. In a sports meet, 126 boys and 118 girls participated. Find the total number of participants.
