Preface

The Science textbook has been developed in alignment with the Tamil Nadu State Education Policy (TNSEP) 2025, with a focus on child-centred, experiential and inquiry-based learning.

Key Features That Build Scientific Temper

Observe and Discuss
Builds observation, questioning, comparison and expression skills by discussing pictures and real-life situations.

Do and Learn
Promotes exploration, creativity, cognitive skills, measurement and recording skills through simple hands-on activities.

Do and Observe
Encourages prediction, observation, reasoning and drawing conclusions through simple experiments.

Activity Time
Promotes exploration, coordination and expression through play-based and group activities.

The Term II textbook is designed as two units that follow a progressive learning approach.

1. Plants Around Us

- Explores plant growth, it's requirements, functions, modifications and adaptations.
- Compares common trees, conducts simple tree studies, develops observation and investigation skills.
- Practises an ethic of care for trees and other plants.

2. Food We Eat

- Identifies food obtained from different parts of the plant.
- Relates dishes to their ingredients.
- Values the journey of food from farm to plate.
- Understands the three food groups in balanced meals.
- Practises healthy eating habits.

Assessment and Progress Support

Learning Check
Assesses children's understanding through simple observation-based and activity-based questions and helps identify learning progress and areas that need support.

What I Learnt
Helps children recall and reflect on key concepts learnt and supports revision and reinforcement of learning.

I Can Do
Provides opportunities to apply learning through simple oral and written tasks, projects and real-life activities, promoting confidence and independent learning.

This Science textbook promotes joyful and meaningful learning and helps children connect science to their everyday life. It supports the overall development of children by building values and skills and encourages them to become curious and responsible individuals.
