Exchanging our paddy for salt and dal,
Sharing warm stories with one and all.
Checking the *achani* as wheels turn round,
Rolling along on the dusty ground.
The road is long, the cart is heavy,
Bullock cart rolling, strong and steady! - 2

Bullocks drink water and eat grass,
We eat *kattusoru* as the hours pass.
Resting a while below the blue sky,
Watching the clouds and the birds fly by.
The road is long, the cart is heavy,
Bullock cart rolling, strong and steady! - 2

Stopping the cart as night draws near,
Lighting the oil lamp bright and clear.
Singing our songs as we travel along,
Home at last, still singing our song!
Jal jal jal jal... the bells ring clear!
The road is long, but home is near!

Encourage children to sing the song with a tune.
