Travel by Horse Cart...!

(Mugilan shared his Thatha's travel experiences in the class. Hearing this his teacher...)

Discuss and Learn

Teacher: Horses run faster than bullocks. So, people trained horses and used them for travel.

Sumathi: Can a horse pull a cart?

Teacher: A horse is strong. It can pull a cart, and we can also ride on it.

Banu: Won't the rider fall off when the horse runs fast?
