d) Travelling by foot → Bullock cart → Bus

Answer: _____

D. Paatti told her grandson, "When we were young, we used to travel to the neighbouring town in a bullock cart, taking a whole day. But today, the same town can be reached in just 1 hour." What is the reason for this?

Answer:_____

_____

2. Oral Question

If there was no transportation, how would food from farms reach the people?

Encourge children to talk about how things might have reached people by following the instructions given in the handbook.

3. Project Work

1. Observe and answer.

Observe the vehicles near your home or school for 20–30 minutes. Record their count in the table. Draw pictures of the vehicles you saw.
