Let us Practise

Write the missing hundreds.

Complete the table.

Number	Number name
200	
	Six hundred
700	

Number	Number name
	Three hundred
900	
	Eight hundred

Let us Learn

You already know that the value of 10 one-rupees are equal to the value of 1 ten-rupee. Similarly, do you know that the value of 10 ten-rupees are equal to the value of 1 hundred-rupee?

1 ten = 10 ones

1 hundred = 10 tens = 100 ones

Let us Practise

Match the money with its value.

Money	Value
	**321**
	**125**
	**212**
