Let us Do

Divide children into two groups. Let them observe objects in the school and estimate if they are longer or shorter than one metre. Then ask them to measure the actual length using a measuring tape.

Let us Practise

Tick (✓) the correct option to find the length of the objects.

☐ Less than 1 metre.

☐ More than 1 metre.

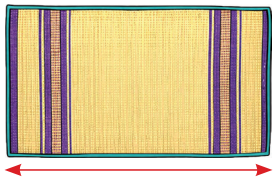

☐ Less than 1 metre.

☐ More than 1 metre.

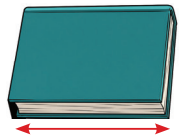

☐ Less than 1 metre.

☐ More than 1 metre.

☐ Less than 1 metre.

☐ More than 1 metre.

☐ Less than 1 metre.

☐ More than 1 metre.

☐ Less than 1 metre.

☐ More than 1 metre.

Let us Explore

Observe the length of the objects in your home and write their names in the table.

More than 1 metre	Less than 1 metre
