

Mugilan: Thatha... What is this? It looks like an old, rusted nail.

Thatha: This is an *ezhuthani*.

Mugilan: An *ezhuthani*? What does that mean, Thatha?

Thatha: What do you use to write with nowadays?

Mugilan: I write with a pen, Thatha.

Thatha: This was the pen my Thatha used. There are many such things inside this box that you have never seen before, you will be surprised.
