3. Share.

Parent's/ guardian's mobile number | Home address | School address | Trusted adults | Free helpline numbers for children

- Draw a  on the board.
- Ask children place their hands on it and share the above in turn.

Different Events! Different Feelings!

Observe and Discuss

- How did Malar feel when she got lost at the exhibition?
- How did she feel when she asked for help?
- How did she feel when she found her mother?

Some Feelings

Courage

Joy

Sadness

Fear

Surprise

We can show the feeling with a facial expression.

Anger

Shyness

Confusion

Guilt

We can have many feelings at the same time.

Refer to pictures on the first page of this chapter. Emphasise that Malar must have felt confused and afraid but asked for help.
