1. Read and answer.

On a Sunday, Alex went to his grandfather's village. He saw many cows on a farm. A bullock cart moved slowly on the road. He walked through the green fields. Then he saw some hens, ducks and goats. His friend Kala was riding a bicycle. He was happy to see her. He smiled and said, "Your village is very beautiful".

What did Alex see in the village?	What did Alex NOT see in the village?
