Let us Practise

Fill in the appropriate symbol (>, <, =).

458 < 503	712 ◯ 674	121 ◯ 221
850 ◯ 805	633 ◯ 633	296 ◯ 298

Colour the greatest number.

374 473 347 437 743

239 123 521 456 312

466 467 469 461 462

928 925 923 926 929

Colour the smallest number.

150 721 478 350 936

245 617 362 539 445

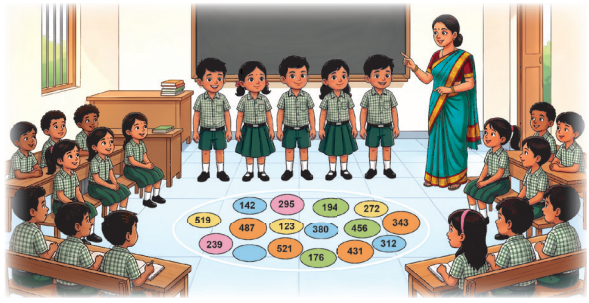

131 137 134 132 135

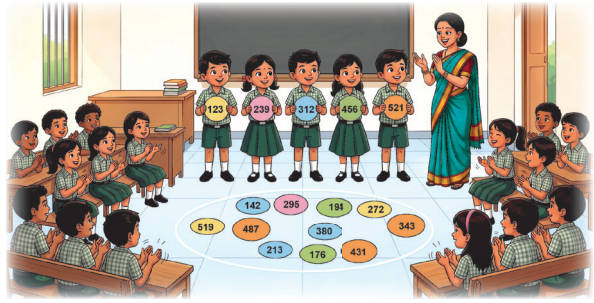

642 645 641 647 640

Match

990 is greater than 99 because	328 has 3 hundreds, while 828 has 8 hundreds.
328 is less than 828 because	674 has 7 tens, and 647 has 4 tens.
674 is greater than 647 because	990 has 9 hundreds, whereas 99 has no hundreds (0 hundreds).

Let us Do

THB

Call five children and ask each child to pick any 5 number cards from the cards placed inside the circle. Ask them to compare the numbers by looking first at the hundreds, then the tens and finally the ones and stand in ascending order and descending order.
