Let us Practise

Observe the pictures and fill in the blanks.

How many fruits are there altogether?

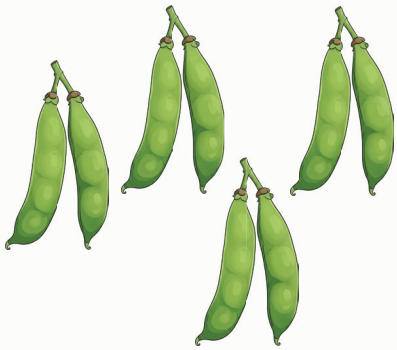

Number of plates 6

Number of fruits in one plate 4

4 + 4 + 4 + 4 + 4 + 4 = 24

6 times 4 = 24

6 × 4 = 24

How many broad beans are there altogether?

Number of bunches ____

Number of broad beans in one bunch ____

____ + ____ + ____ + ____ = ____

____ times ____ = ____

____ × ____ = ____

How many balloons are there altogether?

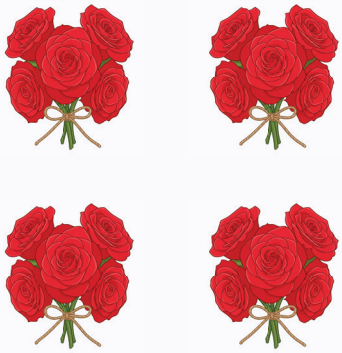

Number of bunches ____

Number of balloons in one bunch ____

____ + ____ + ____ + ____ = ____

____ times ____ = ____

____ × ____ = ____

How many flowers are there altogether?

Number of bunches ____

Number of flowers in one bunch ____

____ + ____ + ____ + ____ = ____

____ times ____ = ____

____ × ____ = ____
