Let us Do

Draw a number line (from 0 to 40) on the floor. Call two children and ask one child to jump forward in steps of 4 starting from '0'. Ask the other child to note the numbers on which the first child steps on and create the multiplication table of 4 and write it on the blackboard.

Let us Practise

Skip in fours on the number line and complete the table.

1 jump	4	1 x 4 = 4
2 jumps	4 + 4 = 8	2 x 4 = 8
3 jumps	4 + 4 + 4 = 12	3 x 4 = 12
____ jumps		
____ jumps		
____ jumps		
____ jumps		
____ jumps		
____ jumps		
____ jumps		

Complete the multiplication table.

X	1	2	3	4	5	6	7	8	9	10
4	4
