Guide children to think and answer question 1(e).

2. Oral Question: Spin! Speak!

1. Spin the board.
2. Speak about the object the arrow points to.

Follow the guidelines given in the teachers handbook to help children speak about the objects in the spinning wheel.

3. Project Work: Make an *olaisuvadi* and display it in the classroom art gallery.

Guide the children to complete the project by following the instructions in the teachers handbook.

What I learnt

I will colour the ☆ for what I have learnt.

I can,

1. compare and explain the changes that have occurred in daily-use objects.
2. explain how stories, old objects, places and memories help us learn about the past.
